

# Partner Resource Toolkit

April 2021

**PENINSULA**

## 3 EASY STEPS TO MAKE THE MOST OF YOUR TOOLKIT

**1**

**Choose one or more elements from the toolkit below to share with your members and associates e.g., an article, guide, etc.**

**2**

**Select which of your channels you would like to share this on, e.g., social media, newsletter, or your website.**

**3**

**Use the suggested copy we have included for you on your preferred channel(s).**

**Resource/Title:**

**Suggested copy:**

**Video**

Managing Vaccines in the Workplace

Peninsula's helpful video answers the most frequently asked questions employers have on managing vaccines in the workplace, such as what approach to take or if they can require employees to have the vaccine.

Parent's Leave changes confirmed

The Family Leave and Miscellaneous Provisions Act 2021 gives working parents an additional three weeks of parent's leave — a legislative update employers need to be aware of. To ensure you're ready for requests from staff, Peninsula explains the new family-friendly entitlements in their helpful article.
